Connection Café

Join us Sunday @ 9 am

During Jesus' earthly ministry, he embodied this unique humor. His teaching regularly displayed the impeccable timing, radical irony, and command of a crowd that stand-up comedians use to craft the perfect punch line. Jesus was also a master of improvisation, evident by how he developed an entirely new storyline based on whatever someone presented to him. This is the best kind of comedy because it disarms seekers, challenges skeptics, and silences critics.

8th: Punch Lines & Improvisation

15th: Inside Jokes

22nd: Observational Comedy

29th: Baking for Coffee Fellowship

High School Bible Study

Join us Sunday nights at 5:30. We are going to be studying Mark. As we read through Mark's Gospel we will be working on a hands on project!
